

Directions to MHT Technology

Directions

Leave the A1 at the A66 Scotch Corner roundabout and head west on the A66 towards Brough. After joining the A66 you will pass the Vintage Inn and Sedbury laybay on your left.

Carry on for approximately 2 miles until you come to a crossroad, turn right towards Melsonby.

Roughly half a mile from that junction there is a turning into Harelands Courtyard Offices on your left, in the car park there is a wind turbine. The visitors car park is over in the far right hand corner closest to the office buildings, the entrance to our offices is along the front of the 2 storey building.
